

Draft Pacific Languages Strategy Consultation

"when people are forbidden to use their language then the foundation of who they are is attacked"

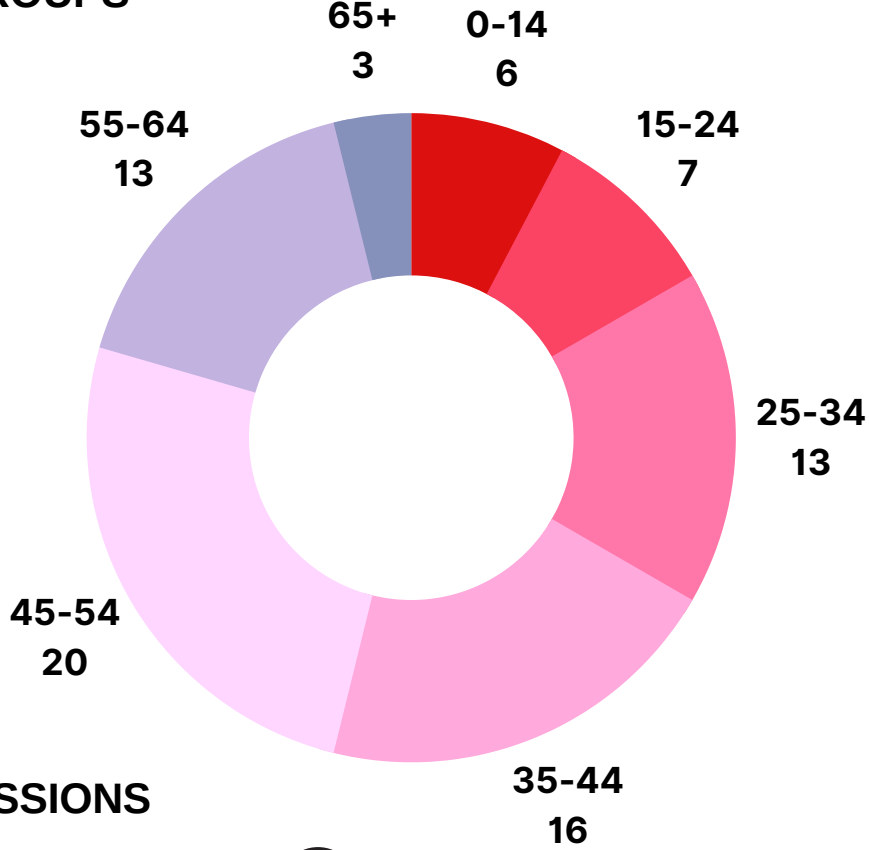

"Aotearoa is multi-cultural, so its our duty as Pacific to keep our languages alive – creating the environment that supports language growth is important for youth"

ETHNIC BREAKDOWN

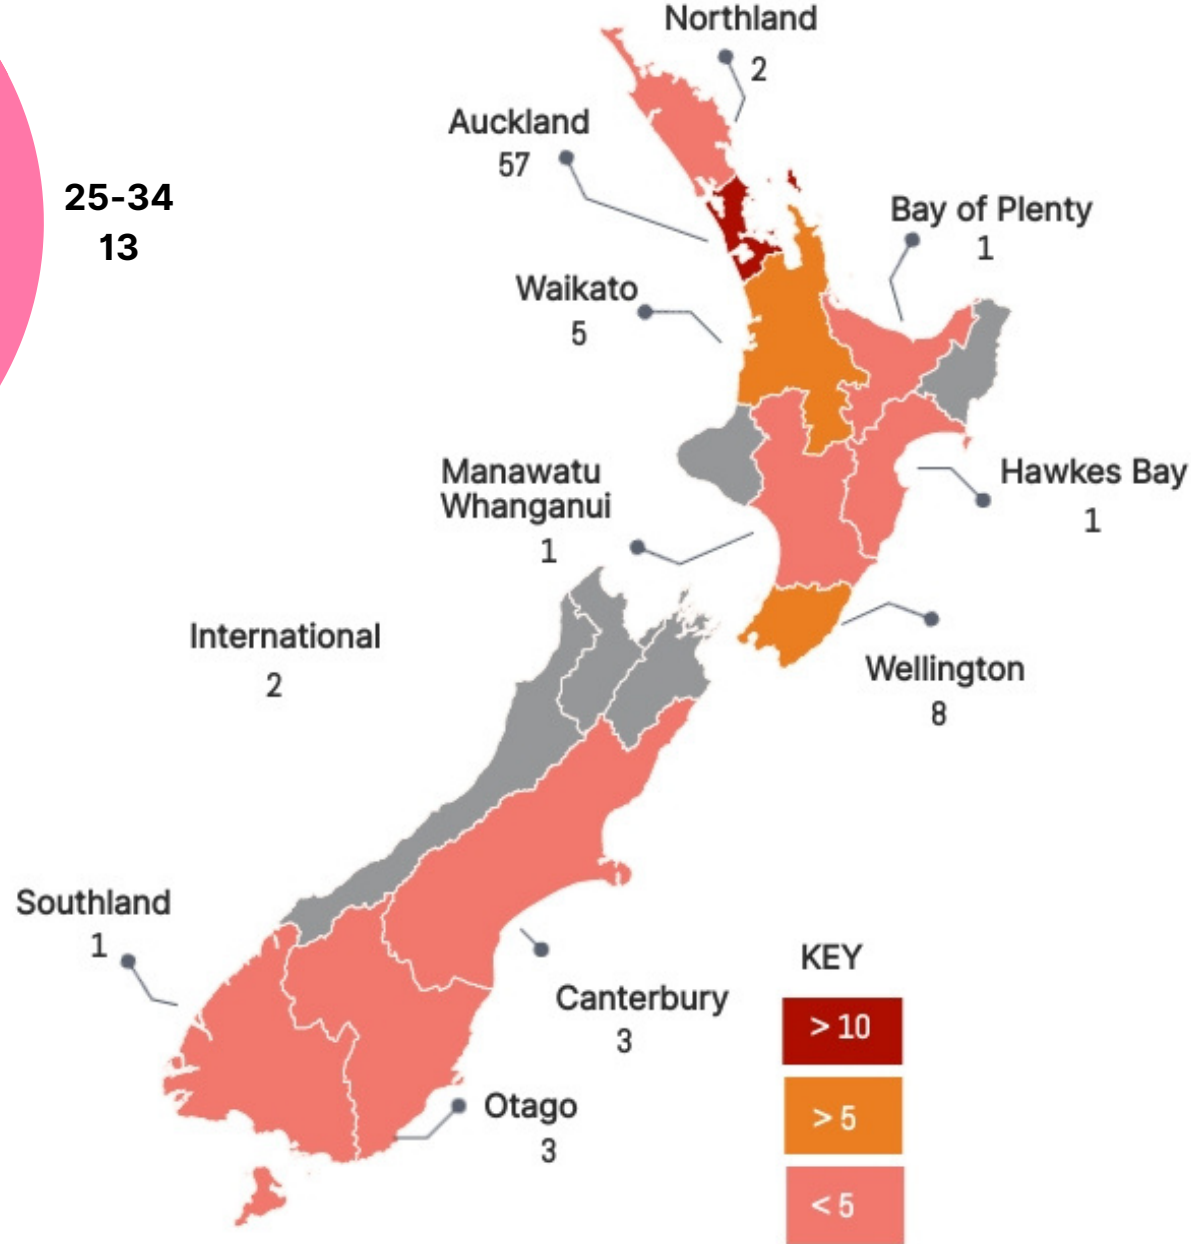

AGE GROUPS

"Language is the greatest wealth that contributes toward vibrancy. If you cant save the language you can't save the epistemology of who we ae as a people"
